

Health Check-up Camp Across Maharashtra by Arohan Financial Services

Madhya Pradesh, Assam, Tripura, Chhattisgarh, Maharashtra, Gujarat, Tamil Nadu, Karnataka, and West Bengal with a focus on the early detection and management of common health issues. This initiative strives to enhance health outcomes and empower communities by providing improved access to vital medical care. It will also underscore a commitment to bridging the healthcare gaps and ensuring that even the most remote and underserved communities can access timely and quality medical interventions. By prioritizing preventive care and fostering early diagnosis, the program is set to make a lasting impact on the health and well-being of the people of India.

Nagpur 4 January: Arohan Financial Services, a leading NBFC MFI, is organising health check-up camps in association with an NGO at 9 locations in Maharashtra in January 2025 to improve healthcare access for the underserved communities. The initiative aims to provide critical healthcare support to individuals from

marginalized communities where access to quality health care is limited. The leading NBFC MFI Arohan Financial Services will offer basic health checks, including blood pressure, blood sugar, BMI assessments, etc across various districts, including Yavatmal, Amravati, Nagpur, Buldhana, Nanded, and Latur. Individuals

diagnosed with common illnesses will receive prescribed over-the-counter medicines, while those requiring specialized treatment will be referred to district government hospitals for further care. Going forward, Arohan will be organising 151 health check-up camps across Bihar, Jharkhand, Odisha, Uttar Pradesh,
